

CARE NETRAM Celebrating

of providing vision care
for less privileged!

Paving a path
towards a
BRIGHT FUTURE!

Good **Vision** | Good **Life**

ONGOING PROJECTS

Eyes are the most essential part of our being. Majority of the people rely on their vision to make a living. However, lack of adequate infrastructure, equitable geographical distribution and affordable vision care are some of the prerequisites to quality eye care especially in suburban and rural areas.

As per WHO, more than 950 million people across the globe cannot afford glasses and eye check-ups. This affects learning and earning capacity of the less privileged. Good health and wellbeing are dependent on affordable and accessible eye care.

BRIDGING VISION CARE GAP

Care Netram shares vision with One Dollar Glasses, Germany to enable the less privileged with better vision. We aim to provide the needy with free eye checkups and door to door affordable glasses. Our special arena of work lies in the rural areas and the areas below poverty line to ensure better vision care.

OUR SOCIAL IMPACT

Highlights of the month
Organizing community camps

Outreaching Odisha

115

community Camps
conducted in 8
districts of Odisha

Organized by our

50+

Field Force of Good
Vision Technicians
and Optometrists

Overall

10,427

spectacles
dispensed in 2021

25,000+

Free eye tests
conducted

1,755

spectacles
dispensed in
October

OUR OPERATIONS

Locally made eye glasses
with German Technology

CareNetram in partnership with OneDollarGlasses gives access to affordable and accessible vision care. Metal frames are produced on custom-made bending machine. The machine requires no electricity and is virtually maintenance free. The materials are sourced from Germany and produced locally which ensures quality and affordability.

Care Netram trains rural youths and women to become opticians and eyewear producers. So far, we have educated 100+ good vision technicians in Odisha, India.

SPREADING AWARENESS OF VISION CARE

We believe that prevention is better than cure

Care Netram ventures rural areas to spread awareness about vision care. The team interacts with the people to generate awareness about eyecare and encourage patients to take free eye screening offered by CareNetram to combat eyesight problems and avoid blindness.

GIVING THE GIFT OF SIGHT TO THE NEEDY

Sponsoring
Cataract surgeries

We sponsored

171 cataract surgeries in October, 2021

Overall

1,116 Surgeries sponsored in 2021

IMPACT IN LIVES

Vision deterioration impacts the livelihood of people and lower financial stability does not permit them to take expensive eye treatment. CareNetram enlightens the lives of the people with free eye screening and increase awareness about the need for vision care. In 2021, we dispensed 10427 spectacles along with free eye test for the rural people who could not afford expensive care treatment.

COMMEMORATING WORLD SIGHT DAY

Organizing eye camp at old age home

Impaired vision makes older life vulnerable and dependent. 80% of vision impairment is avoidable! Care Netram comes forward to support the senior citizens in old age homes with eye camps.

We observed world Sight Day with Eye Camp at old age home. Our dedicated team conducted eye screening of elderly people and offered affordable spectacles to the needy.

VISION TOWARDS BETTER FUTURE!

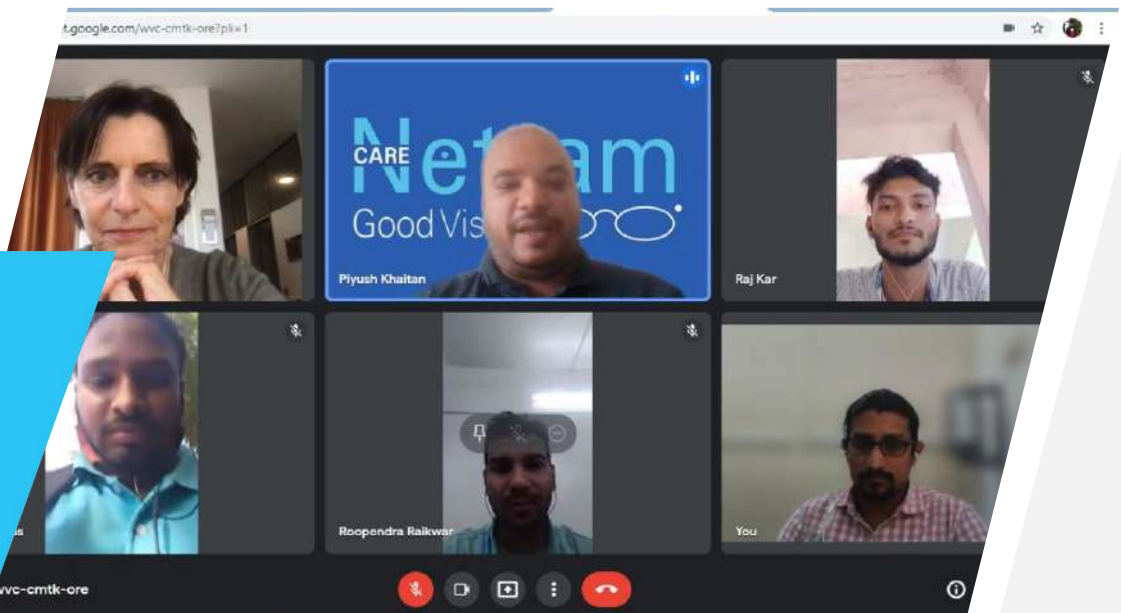

Young children are our future - Supporting school children with affordable vision care

80% of what children learn are vision based. Children with vision impairment are needlessly suffering that could be discontinued. Care Netram takes a pledge to help young children having limited access to eye care with accessible and affordable eyecare.

Eye Health Check Camp part of 25k School Screening Project:

- In October 2021, we have covered 18 schools offering 1634 eye check ups to school students
- Over the year we have covered 3000 eye tests for young students in 2021

EYECON WITH ANTJE CHRIST

A candid talk about life and work conducted with our Roopendra and Rajkumar in October 2021.

STARTED VISION CENTER IN CUTTACK

CareNetram has open a new vision center in Bhubaneswar to create awareness about eye health, content free eye check ups and provide affordable eye glasses to the community. We organized puja to inaugurate the new location as per Indian traditions. In a solemn ritual, we asked God's favor and seek God's blessings to successfully carry forward the good cause.

WE ARE GROWING

More Volunteers | More partners
| More beneficiaries

The volunteers and members of the organization support us in this endeavor by contributing their time and skills as we continue to serve the community at large.

New Trainees

15 trainees completed their classroom training to join Care Netram as Good Vision Technician Trainee

New Joinees

Our New Optometrist Pooja Kumari Joined us in October, she is now engaged in School Camps.

MEDIA EXPOSURE

Our works has been highly appreciated!
