Community Eye Camp Conducted At Jobra, Cuttack In Odisha

The Byabasayaka Association, joined by the compassionate team at Care Netram, organized a community eye camp that left a profound impact.

We are thrilled to share the incredible success of this event, as **100+** patients received comprehensive eye tests, ushering them towards a brighter vision of the future.

The camp also played a pivotal role in identifying and providing necessary care to several individuals suffering from cataracts, igniting a renewed spark of hope in their lives.

Jagatpur Industry's Eye Screening Event Brings Joy and Clarity

In a remarkable initiative organized by Ashok Samal, an eye screening camp took place on May 25 in Jagatpur's bustling industrial area. The event aimed to improve the vision and well-being of the workers in the region.

40+ individuals eagerly participated in the eye tests, seeking a clearer path to a brighter future.

20+ needy beneficiaries received perfect glasses to support their vision.

The event proved to be a significant milestone in the lives of these individuals, as they could now navigate their daily tasks with ease and confidence.

Care Netram's Camp in Rasulgada GGP Colony, Odisha Sparks Hope and Generosity

In a heartwarming collaboration, Care Netram organized a transformative eye camp in Rasulgada GGP Colony, Odisha.

40+ beneficiaries received much-needed eye care services, **15+** individuals received vision supporting eye wears, enhancing their vision and instilling newfound confidence.

Furthermore, the camp extended its generosity to the rural school children by donating free pairs of glasses, supporting their visual well-being.

Eye Care for The Corporates

Care Netram's Transformative Eye Camp at Hindalco Pvt. Ltd. Sambalpur from Aditya Birla

Care Netram organized a community eye camp at Hindalco Pvt. Ltd. in Hiralakud, Sambalpur district. With a duration of four days, from May 10, 2023, to May 14, 2023, this camp aimed to address the eye health concerns of the hardworking staffs at the company.

450+ patients at Hindalco Pvt. Ltd. benefitted from our eye screening camp and **45+** individuals received vision supporting eye-wears which in turn will improve their productivity.

The impact of this camp resonated deeply with Hindalco Pvt. Ltd., and they expressed heartfelt gratitude for the exceptional services provided by Care Netram.

Eye Camp At the Fish Market

In the heart of the bustling fish market, an eye camp on May 9th, 2023, brought a glimmer of hope for the locals.

70+ people eagerly lined up for a free eye checkup, provided by the dedicated team from Care Netram. **60+** individuals were provided with vision supporting eye wears.

In a world consumed by busy schedules and overlooked health concerns, the residents of the fish market realized the significance of the eye care services.

Navigating The World With New Found Confidence

Care Netram's Impact on **Medhashri Mohapatra's** Life

- A specially abled

Medhashri Mohapatra, a 25-year-old specially abled lady, faced challenges in accessing essential eye care services. Unable to venture outside for an eye test due to her condition, she was left struggling with her outdated glasses.

Recognizing her plight, Care Netram stepped in with their innovative home eye test service, transforming Medhashri's life. She received a comprehensive eye examination within the comfort of her own surroundings and a new pair of eye-wears.

With this simple act, Care Netram's services not only improved her vision but also empowered her to navigate the world with greater confidence and ease.

Spreading Light & Hope Amongst The Needy

Beneficiary Name: Sudama Devi
Age: 50 Years

Sudama Devi, a 50-year-old resident of Krishnapuri, Bihar, lived a life of poverty and hardship. As she worked in the households of others in the city, she struggled with her vision, especially when it came to seeing objects from a distance.

Determined to improve her eyesight, Sudama Devi visited our eye camp where she received a comprehensive eye checkup. We provided her with vision supporting eye wears for as low as INR 50. Overwhelmed with gratitude, Sudama Devi's face lit up as she put on her new glasses.

“

As a poor woman working in others' homes, I couldn't afford proper eyeglasses to improve my vision. But when I visited their eye camp, they not only checked my eyes but also provided me with spectacles at a discounted price. Now, I can see clearly, and I am forever grateful to Care Netram for their kindness and support.

”

A World Of Clarity Unfolded With Clear Vision

Beneficiary Names :

Kalawati Devi of 56 years

Sarnya Srivastava of 12 years

In the vibrant neighborhood of Argora Housing Colony, a special eye camp was organized by Care Netram. Both Kalawati Devi, aged 56, and Sarnya Srivastava faced difficulties in seeing objects from a distance, prompting them to seek help at the camp.

Care Netram provided them with suitable spectacles. As the glasses were put on, a world of clarity unfolded before their eyes. Kalawati Devi and Sarnya Srivastava radiated joy and gratitude, overwhelmed by the newfound ability to see clearly.

“

Care Netram has truly changed my life. With their help, I can now see clearly, and it has made a significant difference in my life. I am forever grateful for their support and blessings.

Revitalizing Healthcare in the Pahari Village in Odisha

Care Netram's Journey to Gerua Basti

In the serene village of Gerua Basti, nestled beneath a small hill, the absence of medical facilities posed a significant challenge for its 200 inhabitants.

Care Netram's team returned to Gerua Basti to organize a free eye checkup camp. They set out to provide accessible eye care services, going above and beyond to address the unique challenges of the community.

Through their compassionate efforts, they aimed to bring the gift of clear vision and improved healthcare to the people of this Pahari village, forging a path towards a healthier future for all.

The Gift of Sight

Care Netram Sponsors Cataract Surgery To Those In Need

Beneficiary Name: Babata Bhoi
Of 65 Years

“

I had been suffering from poor vision and was unable to seek medical help due to poor financial condition. Thankfully, Care Netram organized a camp in Bhoisahi, and I underwent an eye test there. The doctors diagnosed me with cataracts. The next day, they arranged transportation to a hospital where I received a free eye operation. Now, I can see properly and regain my independence. I am immensely grateful to Care Netram for restoring my sight and enabling me to carry out my daily activities. Thank you!

Our Impact Through Permanent Vision Care Centres

Customer Name - Dadhibaman Dash,
A 17 Year Old Student

“

While I was at the store, I noticed the ODG (Optical Display Glasses) on display. They explained to me the excellent quality of the ODG and its features, and I was really impressed. The best part was that it was available at an affordable price. I liked it so much that I decided to purchase an ODG for myself. I'm thrilled with my new glasses and grateful to the staff at Care Netram for introducing me to this amazing product

”

Dadhibaman Dash

Customer Name - Adarsh Abhinab,
A class 2 student

“

I came to get a free eye test along with my parents. I've been having a lot of trouble with my near eyesight, especially while studying. It was hard for me to see things clearly up close. I received my new glasses, and it's already making a big difference! I can see much better now. I'm so happy with my new glasses, and I'm grateful to the team at Care Netram
