# Enabling Each Child To See The World In All Its Vivid Colours

We ensure that young eyes are given the care they deserve.

We at Care Netram believe that by nurturing their eyesight, we are nurturing their potential, ensuring that their dreams and aspirations are crystal clear from the very start.

## Eye Screening Camp Conducted At Cuttack, Odisha

**Beneficiary Name:** Smruti Ranjan Sahoo

**Age:** 12 Years

**Location:** Sukarpada School, Cuttack, Odisha

Smruti Ranjan Sahoo struggled with poor vision due to financial constraints. A free eye test by Care Netram at Sukarpada School revealed his need for glasses. Now, with the provided glasses, he's excelling in his studies and immensely grateful.

# Guiding The Way To A Brighter Future

Our commitment to children's eye health shines through in every screening conducted.

**Beneficiary Name:** Sultan Begum

**Age:** 8 Years

**Location:** Khelaghara School, Khordha, Odisha

In Khelaghara School, Khordha district in Odisha, Sultan Begum of 8 years had been facing distance vision issues but couldn't afford hospital visits. Care Netram provided free glasses for improved distance vision, making everything clear. The student is now delighted and thankful to Care Netram's team.

# Revitalizing Productivity: The Power of Clear Eyesight

**Aftab Aalm**, a tailor from Ranchi, gets back into sewing with his long lost clear eyesight.

Aftab Aalm, a 27-year-old tailor from Badhgaay (Ranchi), Jharkhand, had trouble seeing things up close. After attending our eye camp, he received nearsighted glasses. Wearing these glasses, he could finally see his sewing work clearly. Aftab's happiness was evident as he proudly showcased his work to family members. He expressed deep gratitude to Care Netram for this positive change.

"Thank you Care Netram, I am back to sewing and showcase my handwork with Good Vision Glasses." - **Aftab Aalm**

# Welcoming Volunteers All The Way From London

Meet Adiveer and Seher, who travelled all the way from London to volunteer at Care Netram Eye Camps.

During their time with us, they immersed themselves in the heart of our rural eye camp activities, touching lives and creating lasting memories.

# Stories From Rural India

Restoring Vision | Restoring Smiles

**Our Beneficiary:** Shayam Bai of 60 years  
**Location:** Roop Nagar Village, Jharkhand

Amidst the rural village in Jharkhand, our beneficiary Shayam Bai of 60 years leads a humble life. She spends everyday studying the Bhagwat Geeta and doing the daily chores looking after her small family. However, with age her eyesight too became weak. Getting an eye check up is not an option for Shayam Bai due to unavailability and unaffordability.

Thankfully, our Care Netram team conducted a **mobile eye care service** in her village. Shayam Bai seized the opportunity and had her eyes tested. With **Good Vision Glasses**, a world of transformation unfolded and her **smiles RESTORED**.

Shyam Bai's newfound visionary capability to assist her daughter-in-law with household chores and her passion of reading holy books **brought a renewed sense of purpose and joy to her life**.

"Thank you so much Care Netram, I am so happy to see things clearly. The words of the books seem clear now." - **Shyam Bai**

Good Vision 

**Our Beneficiary:** Fakir Chandra Patel of 72 years

**Location:** Sundargarh, Jharkhand

In the small village of Jharkhand, we came across our beneficiary Fakir Chandra Patel who **walks for miles for daily wage-earning**. As he saw our mobile vision van, he walked in for an **eye checkup for the very first time**.

"**The roads have always been blurry, I just manage to walk by**" said Fakir Chandra Patel. Glad to be of help, our team at **Care Netram offering him an eye checkup** and provided with with **powered eye wears**.

On wearing the glasses for the first time, Fakir Chandra Patel **returned a SMILE**. He said

" I never thought I could see clearly again, thank you Care Netram. Now I don't need anyone else's support".

# Happy Customers From Our Permanent Vision Care Centres

**Customer Name:** Muktar Ansar, 15 Years Old Student

“

I'm Muktar Ansar, 15 years old student. I couldn't see the alphabets on the blackboard properly. After the eye test, I got glasses for distance vision. I got two pairs - one for me and one for my sister. Your service made me really happy

”

- Muktar Ansar

# Happy Customers From Our Permanent Vision Care Centres

**Customer Names:** Priyanka senapati and Priyanshu senapati

As two sisters accustomed to spending countless hours in front of screens, we extended our eye screening services to them. At Care Netram, our dedicated staff not only conducted screenings but also provided them with valuable insights to safeguard their eyesight from digital strain and related concerns. They were very happy with our friendly service.
