Clearing a Path to Clarity

Gandhiji Shanti Nibasha Janla's Morning Eye Camp.

In the remote village of Odisha, access to proper eye care facilities are limited, thus Care Netram steps in to organize an eye camp.

We organized an eye screening camp at Gandhiji Shanti Nibasha Janla in collaboration with Rotary club, Bhubaneswar

70+ people benefitted from our community eye camp. 50+ people received vision support glasses. 12 people were diagnosed with cataracts and were referred to hospital for free cataract surgery.

Towards a New Dawn

Sita Devi of **60 years** got back clear vision after many years.
Her smile says it all!

Our Beneficiary: Sita Devi of 60 years
Location: Kisgo Block, Sindri District, Dhanbad.

Sita Devi spends most of her time playing with her grandchild. Despite undergoing surgery on both her eyes, she continued to grapple with distant vision issues, and her mobility was hindered. She visited our eye camp organized in her village. At the camp, her eyes were examined, and for the first time in a long while, one eye was declared healthy. As she donned the prescribed glasses, her world transformed; she could see clearly. Her face radiated with joy as she clutched those glasses, allowing her to embrace life anew, and she slowly made her way back home, her heart brimming with gratitude.

Hemalata Sahoo

found her lost hope!

Our Beneficiary: Hemalata Sahoo of 60 years
Location: Village of Solada, Odisha

Hemalata Sahoo, a 60-year-old woman from the village of Solada, had been suffering from a vision problem for two years without access to an eye hospital nearby. Her world changed when Care Netram organized a free eye check-up camp in her village. Hemalata received a much-needed eye examination and was provided with affordable power glasses, which, when worn, brought clarity and colour back into her life. Overwhelmed with gratitude, she thanked Care Netram for transforming her world and allowing her to appreciate the simple joys of her village with newfound vision.

Hope in the face of adversity!

Our Beneficiary: Bijay Kumar Nayak of 68 years
Location: Belasa, Jagatsinghpur, Odisha

Bijay Kumar Nayak, a 68-year-old resident of Belasa, Jagatsinghpur, had long struggled with vision problems, hampering his ability to see at a distance and affecting his work as a farmer. After a costly eye check-up 30 kilometres away, he couldn't afford the prescribed glasses, and his vision continued to deteriorate.

A ray of hope arrived when Care Netram organized a free eye camp in his village. His eye check-up, at no cost, yielded a much needed prescription for affordable glasses, which transformed his world, bringing clarity to his surroundings and immense happiness.

Bijay Kumar Nayak expressed deep gratitude to Care Netram for their accessible eye care services that rekindled his ability to work with precision.

Light amidst the dark!

**Our Beneficiary: Mr. Parsu Magar of 75 years
Location: Semina, Sundargarh, Odisha**

Mr. Parsu Magar, a 75-year-old resident of Semina in Sundargarh, faced the dual challenges of poor distance vision and paralysis, making medical check-ups an ordeal. His life was almost in darkness due to vision impairment. However, a ray of hope arrived when a Care Netram eye camp was held in his village.

Mr. Parsu attended the camp and received an affordable pair of glasses after a thorough eye check-up. With these glasses, he could once again see distant objects clearly. Parsu expressed deep gratitude to Care Netram for their invaluable service, which not only restored his vision but also improved the quality of his life within the confines of his village.

Out of darkness – into the light!

Our Beneficiary: Suphiya Begum of 74 years
Location: Kanheiput, District - Koraput, Odisha

In the bustling town of Koraput, a remarkable 74-year-old woman, living alone despite having family members, had been quietly facing life's challenges. She relied on her own tenacity, collecting mushrooms and leafy vegetables to sell in the local market to make ends meet.

Recently, she had encountered difficulties due to visionary problems but hesitated to seek medical help, due to un-affordability. However, her world transformed when she received assistance from Care Netram. She was invited to visit the eye camp and provided with vision supporting glasses.

GIVING THE GIFT OF VISION

Care Netram Sponsors Cataract Surgery To The Needy

Our Beneficiary: Jayanti Das, 69-year-old
Location: Bhubaneswar, Salia Sahi

Jayanti Das, a 69-year-old from Bhubaneswar's Salia Sahi, was unable to work due to cataracts, jeopardizing her family's breakfast shop. With no means for eye surgery, she found hope through Care Netram's village camp, which provided free cataract diagnosis and surgery. Grateful for the gift of sight, Jayanti expressed her heartfelt thanks to Care Netram.

“

I am very happy, my eyes were operated free of charge.

I can resume my business now. Thank you Team

Our Happy Customer From Permanent Vision Care Centres

Our Beneficiary: Mr. Basant Kumar Sahoo

“

Visiting Jagatsinghpur VC was a great decision for me. They checked my eyes and prescribed the right power. I was even advised to see an eye specialist at their hospital due to a specific condition in one eye. Today, they delivered my glasses, and I'm thrilled with how clear everything looks now. I also received a Lens Cleaner and a Gift Voucher, which was a pleasant surprise. I've already scheduled an appointment with 'Vision Care, and I'm genuinely satisfied with the service I've received

Vision Supporting Eye Wears Delivered At Door Step

Our Beneficiary: Basanti Das

“

Basanti Das, a woman in need of eyewear, had her glasses brought right to her front door by the Care Netram team. This service was designed to make sure people like Basanti could easily access eye care when they needed it, and at a price they could afford. It's all about making sure people get the vision support they need without any extra hassle.
