

# VISION FOR TODAY AND TOMORROW

**JANUARY IMPACT NEWSLETTER**

Helping India See Better

# A MONTH OF PURPOSEFUL IMPACT

January marked a pivotal phase for Care Netram–GoodVision India Foundation. Our journey began with **NetraKumbh at MahaKumbh in Prayagraj**, *The World's Largest Eye Care* initiative, where countless pilgrims are receiving essential vision care services. Building on this momentum, our broader operations have continued to provide eye examinations, spectacles, cataract referrals, and essential medicines to those in need. This unified effort reflects our unwavering commitment to **Helping India See Better**, both at the MahaKumbh and throughout the communities eye camps.

## OUR COLLECTIVE IMPACT IN JANUARY

The concerted efforts across all programs have yielded significant milestones:

**12,000+**  
free eye screenings  
conducted

**6,000+**  
spectacles dispensed in 300+  
community eye camps

**500+**  
cataract surgeries sponsored

**600+**  
schoolchildren eye  
screenings completed

These numbers are a powerful testament to our shared commitment to quality vision care.

# NETRAKUMBH AT MAHAKUMBH

## A LANDMARK INITIATIVE

At NetraKumbh during MahaKumbh in Prayagraj, a remarkable fusion of service and spirituality unfolds. **Care Netram - GoodVision India Foundation** leads this initiative by providing thorough eye examinations, on-the-spot spectacles distribution, timely cataract referrals, and essential medicines.

## KEY GOALS AT NETRAKUMBH

**5 LAKH**

FREE EYE CHECK-UPS

**3 LAKH**

FREE SPECTACLES DISTRIBUTED

**50,000**

FREE CATARACT REFERRALS

COMPREHENSIVE DISTRIBUTION  
OF EYE MEDICINES

# EVENT SUCCESS & COMMUNITY ENGAGEMENT

The NetraKumbh is unfolding successfully with an impressive spirit of volunteer-ism. People from diverse backgrounds and various regions of India are actively visiting our clusters, experiencing our services first-hand. Volunteers and humanitarian supporters are stepping up, enriching the event with their energy and commitment.

Experienced medical professionals are present at our clusters, commending our work. Their appreciation is fuelled by our use of high-end equipment, such as **auto refractometer meters**, **fundoscopy cameras**, and **slit lamps**. Moreover, our ability to assemble glasses on the spot using advanced German technology has been widely praised throughout the event.

## STORIES FROM MAHAKUMBH

### AGHORI MONK

The Aghori Monk was truly impressed by the seamless organisation at the NetraKumbh camps. After having his eyes screened, he spent extra time observing our operations, offering his blessings to Care Netram—Good Vision India Foundation and wishing us continued success.

### DR. N.K. GUPTA

With over 50 years of experience, Dr. Gupta served tirelessly across multiple units at NetraKumbh. He commended our well-organized approach and the professionalism of our optometrists, emphasising their vital role in delivering efficient eye care.

### SENIOR PILGRIMS

In conversations with two senior pilgrims, their joy was palpable. They expressed deep satisfaction with the free spectacles and eye screenings and appreciated the cataract referrals available for future needs.

### SHREY SINGH

A grateful pilgrim on a motorised wheelchair shared his heartfelt thanks, praising the remarkable experience at NetraKumbh and the noble work being carried out by Care Netram–Good Vision India Foundation.

**NAVEEN SINGH**

Naveen Singh, who visited after taking a dip at MahaKumbh, encountered our team in Sector 6 of NetraKumbh. He commended our respectful, inclusive practices and expressed gratitude for the free glasses he received.

As every hour unfolds at our clusters, more stories emerge of individuals receiving free eye screenings, spectacles, cataract referrals, and essential medicines; each narrative reinforcing our commitment to helping India see better.

# STORIES OF INSPIRATION

Real voices resonate through our work

## SARASWATI PATRA (60, KEONJHAR)

After enduring persistent vision issues, Saraswati now enjoys renewed clarity with our specialized glasses.

## JAYANTI DIGAL (65, KANDHAMAL)

Long-standing vision challenges are alleviated, allowing Jayanti to embrace life with a clearer view.

**NETRAMANI SAHOO (70, JAMUJODI)**

Overcoming financial constraints and vision deterioration, Netramani now performs daily tasks with ease.

**A FAMILY IN TITLAGARH, BALANGIR**

A family benefits from comprehensive care, with gratitude that speaks to the heart of our mission.

# SCHOOL CAMPS

## IGNITING YOUNG MINDS

At Andharikhamana High School in Keonjhar, a dedicated school camp unfolded, transforming the classroom experience for dozens of students. In an environment where blurred writings once hindered learning, our team provided free eye screenings and distributed spectacles that opened new worlds of clarity for young minds.

One student, who had struggled to read the blackboard, now beams with confidence as every word becomes clear. This initiative is more than a medical intervention, it's an investment in the future, empowering children to excel academically and dream big.

On 14 January 2025, **Care Netram-GoodVision India Foundation** organized a free eye check-up camp at Atri Gram Panchayat. The camp was inaugurated by **MLA MR. PRADIPTA** along with our dedicated team. A total of 42 individuals were screened; 24 required spectacles, and 23 purchased them at an affordable price. The community expressed heartfelt gratitude for the exceptional service provided by the **Care Netram-GoodVision India Foundation** team.

# CATARACT IMPACT

## RESTORING CLARITY AND DIGNITY

Our cataract initiatives have brought renewed hope and dignity to elderly patients across the region. In several eye camps, seniors who had long suffered from cloudy vision were identified and referred for cataract surgeries. For many, these interventions have been life-changing, restoring not only sight but also the ability to engage with the world around them.

One poignant story tells of an elder who, after years of isolation due to vision impairment, now experiences life with clarity and renewed vigour, able to participate in daily activities with confidence.

## LOOKING AHEAD

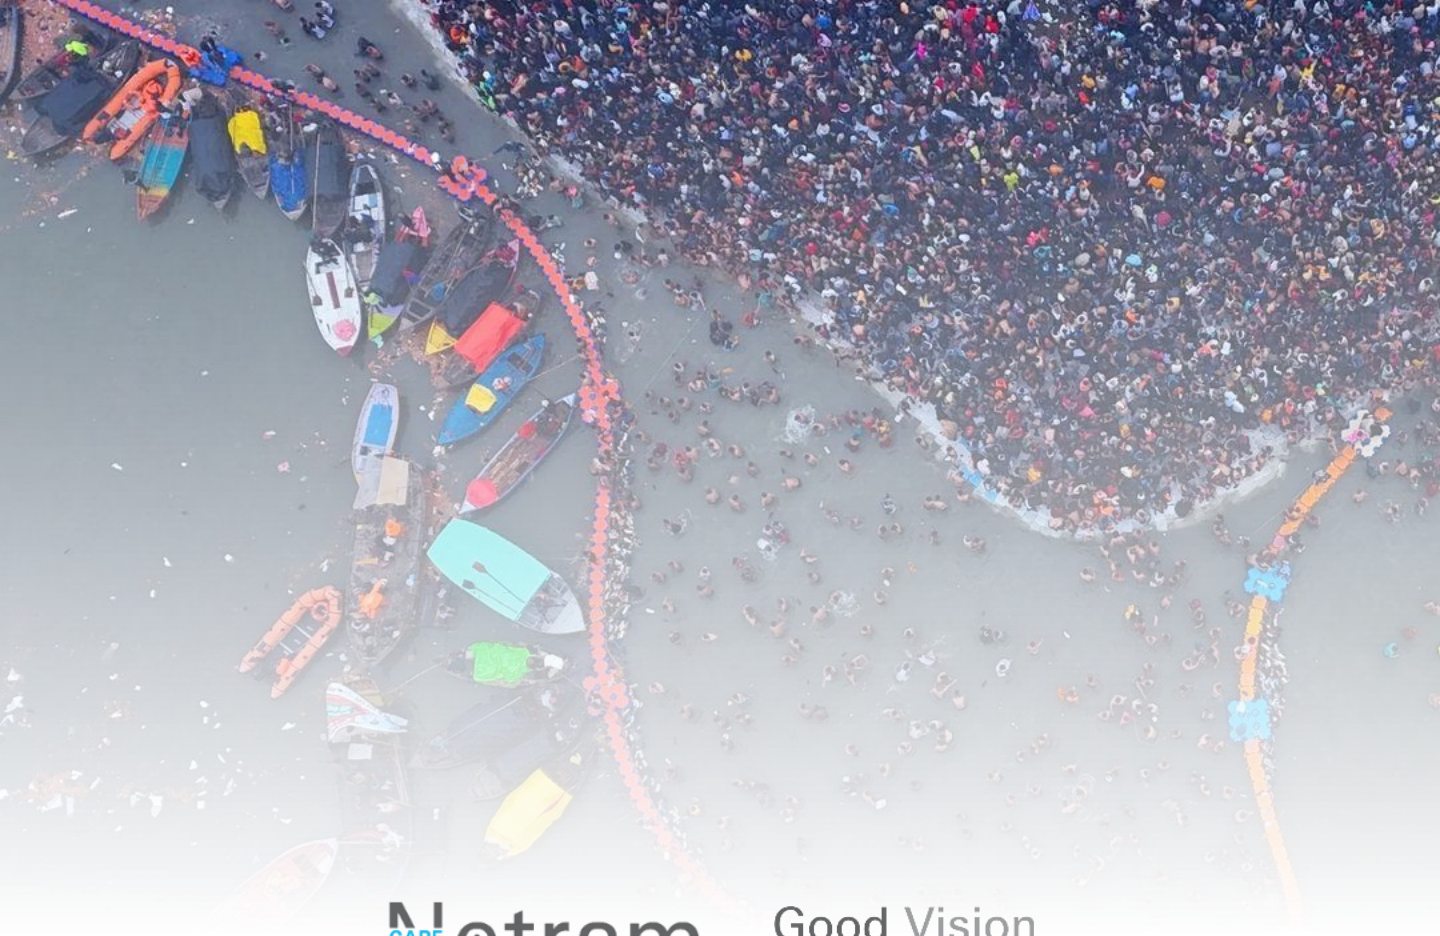

Building on January's success, **Care Netram-GoodVision India Foundation** remains dedicated to expanding quality eye care services. **Care Netram-GoodVision India Foundation** remains fully operational at NetraKumbh during MahaKumbh in Prayagraj. Our teams are on the ground, delivering comprehensive vision care, from eye examinations to immediate spectacles assembly. Our ongoing efforts and future initiatives will continue to bridge the vision gap and ensure that every individual has the opportunity to see clearly.

## JOIN THE MOVEMENT

Engagement is key. Every share, comment, and like amplifies our message and extends our reach. Stay connected and support our mission as we work towards a future where quality vision care is accessible to all.
